Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Prospect Road Revitalization & Streetscape in surface transportation reauthorization legislation.

The project sponsor for this project is the Village of Peoria Heights and the project is located at Prospect Road, Peoria, Illinois 61616.

The funding is designated for the construction of a road diet (4 lanes to 3 lanes) from Lake Avenue to Glen Avenue.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: The road diet would help slow down traffic, which would increase the visibility of businesses along Prospect and allow for safe and comfortable travel for all modes of transportation. The change will allow for wider sidewalks and the addition of bicycle accommodations.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Darin LaHood
Member of Congress
